SOFTBALL FOR U & ME

Softball is a sport similar to baseball which involves a larger ball being pitched underhand. It is a fun activity for all ages, played in different versions like Fast Pitch, Tee Ball, Slow Pitch, Beach and Little League for kids.

SBSA (Singapore Baseball & Softball Association), in conjunction with NTUC, is conducting a 3-hour session which is open to the public of all ages at the Kallang Diamonds. Come down and try your hand at this exhilarating sport with the help of the Singapore National Softball Teams. Among the activities you can take part in will be a mini-game where you can pit your skills against your friends! There are special packages available for families and NTUC members, so come down to the Kallang Diamonds for a great day of family fun!
